

Britters' Critters Daycare

First Week Checklist

Starting a new Daycare can be a major transition in any child's life. For some, this may be the first time they've ever been away from their parents for a significant amount of time. Britters' Critters Daycare makes it a priority to ensure both you and your child feel comfortable and happy with this transition.

On your child's first day you are welcome to stay for a while to help your child get settled. I am also happy to send you updates via text or email during the first few days to let you know how your child is doing. On your child's first day the following will be available for them:

- Cubby space with hook and spot for shoes
- Pocket for their waterbottle
- Box for their spare clothes
- Baggie for their tooth brush and tooth paste
- A clean cot, with a sheet and pillow

Items that you will need to bring for your child's first day are

- Toothbrush (tooth paste is optional)
- Wipes and diapers
- Blanket for nap time
- Comfort object (optional)
- Indoor non slip runners or slippers
- Complete change of clothes
- Weather appropriate items (ex. Sunscreen/hat or muddy buddy/boots)
- Water bottle
- Comfort kit

It is recommended that all of your child's items are labeled and inside bags when applicable. This will help me keep things organized.
